

BOCA RATON REGIONAL HOSPITAL FOUNDATION

“RICK BECKER MEMORIAL CPR AWARD”

The “Rick Becker Memorial CPR Award” was established by Jacqueline L. and Herman D. Becker as an endowment to the Boca Raton Regional Hospital. The Beckers renamed their endowment the “Rick Becker Memorial CPR Award Fund”, to establish a lasting and living tribute to their son Rick, who died at the age of 44 from a sudden heart attack. This fund is dedicated to his memory with the hope it will help to save other lives in the future. The stated purpose of the “Rick Becker Memorial CPR Award” is to provide recognition annually to an individual who promotes CPR or provides CPR education to the community at large.

Any individual and/or company wishing to nominate an individual(s) for the “Rick Becker Memorial CPR Award” should complete the following application and return it to Boca Raton Regional Hospital Foundation Inc. by November 15, 2011 at 5:00 PM.
