Ralph Palumbo, M.D.
Pulmonary Disease/Internal Medicine
Boca Raton Regional Hospital

TUESDAY September 12, 2017

7:00 – 7:30 A.M. Registration and Breakfast

7:30 - 8:30 a.m Lecture

Dawson Theater
Boca Raton Regional Hospital

Identified Need: The goal of this activity is to provide interdisciplinary medical education in the hospital setting to address gaps in knowledge, performance and competency as identified by the peer review process.
Expected Outcome: Enhanced healthcare provider knowledge and skills that modify participant's behavior to improve the quality of patient care.

Objectives: ***At the end of these presentations, the participant should be able to:***

1. ***Discuss the indications for therapeutic hypothermia***
2. ***Review the protocol for using therapeutic hypothermia***
3. ***Explain the data on risks and benefits of therapeutic hypothermia***

Target Audience: ***All Physicians, FAU Faculty, Residents, Medical Students, Nurses and other health care professionals***

Boca Raton Regional Hospital fully intends to comply with the legal requirements of the ADA. If you should need a special accommodation for this event, please call (561) 955-4088 at least two weeks prior to the presentation date in order to receive service.
