## Identified Need:

The goal of this activity is to provide interdisciplinary medical education in the hospital setting to address gaps in knowledge, performance and competency as identified by the peer review process.

## Expected Outcome:

Enhanced healthcare provider knowledge and skills that modify participant's behavior to improve the quality of patient care.

## Objectives:

- Delineate the differential diagnoses of gastrointestinal bleeding, and differentiate upper GI bleeding, small bowel bleeding and lower GI bleeding.
- Explore management strategies in gastrointestinal bleeding, with a focus on non-variceal upper GI bleeding.
- Recognize the different classes of anticoagulant and antiplatelet agents.
- Discuss patient and peri-procedural risk factors for bleeding and thrombosis.
- Discuss appropriate antithrombotic agent management for elective and urgent GI procedures.

## Target Audience:

All Physicians, FAU Faculty, Residents, Medical Students, PA, Nurses and other health care professionals.

## Physician Credit:

Boca Raton Regional Hospital is accredited by Florida Medical Association (FMA) to provide continuing medical education for physicians. Boca Raton Regional Hospital designates this enduring material for a maximum of *1.0 AMA PRA Category 1 credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This program has also been approved for 1.0 CEU Credit.

Grand Rounds are available on Zoom in Eastern Standard Times. Download the Zoom app at [Zoom.us](https://zoom.us) For more information, please visit Boca Regional Hospital CME events or e-mail [rdole@brrh.com](mailto:rdole@brrh.com).

Boca Raton Regional Hospital fully intends to comply with the legal requirements of the ADA. If you should need a special accommodation for this event, please call (561)955-4088 at least two weeks prior to the presentation date in order to receive service.
